

## PLAY ON FUN CENTER

*Huntingdon Valley, PA*

*New Construction*

JHG & Son, Inc. successfully completed this one-of-a-kind Children's Interactive Fitness Center. This is the prototype fitness center "Play-On" to be built in the United States. The 7,500 square foot building features a colorful pallet of paint colors, unique wall coverings, commercial kitchen, custom millwork and 5 different types of flooring (carpet tile with inserts, specialty gym, hard surface tile and wood flooring).
