

## MONTGOMERY HOSPITAL

*Montgomeryville, PA*

### *Cath Lab Renovation*

J.H. Greene & Son, Inc. completed a renovation of Montgomery Hospital Medical Center's Catheterization Lab. The work was conducted according to Class 4 regulations and inspections. The project was comprehensive and included the Treatment Area, Soil Utility Room, Main Catheterization Room, Storage Room & Equipment Area, Film Development Room, Changing Room, Doctor Reading Room, and Control Room. This project included all necessary electrical work, HVAC, and painting.
